NYAYMITRA 2.0 — Risk Register

Technical, legal, privacy, security, operational, and adoption risks with mitigations

NYAYMITRA 2.0 — Risk Register

R-1	Legal	Unverified legal content presented as if authoritative	Medium	High	Every answer labelled verification status + disclaimers; human review required before public use; 0 of 9 articles verified	BLOCKED (B-2)
R-2	Legal	DPDP Act obligations not yet assessed as in force	Low	Medium	Main obligations commence 13 May 2027; product preparing (consent, retention, redaction)	Monitor
R-3	Legal	IT Act §43A / §72A + SPDI Rules apply now to body corporates	Low	Medium	PII redaction, rate limiting, retention 180 days, purge tooling, secure defaults	Implemented
R-4	Privacy	Citizen question transmitted to external AI provider unredacted (if configured)	Medium	Medium	Default offline (no data leaves); disclosure in package; consider redaction before provider send	Disclosed
R-5	Privacy	Raw complaint PII (phone, email, contact) stored locally	Medium	Medium	Token-hashed access, redaction before logs, 180-day retention, purge tooling, no cookies	Implemented
R-6	Security	No penetration test or certification	Medium	Medium	Self-assessed controls only; pip-audit clean; not certified	Disclosed
R-7	Security	Dependencies could accumulate new advisories	Low	Low	Pinned versions; periodic pip-audit; production preflight	Implemented

R-8	Operational	Single-process SQLite not for concurrent production load	Medium	Medium	Documented limit; scale only after re-architecture	Documented
R-9	Operational	No real browser/device/screen-reader testing	Medium	Medium	jsdom only; B-3 requires devices and assistive technology	BLOCKED (B-3)
R-10	Adoption	Citizens may mistake information for legal advice	Medium	High	Prominent disclaimers on every answer; "not a lawyer" framing; offline-first	Implemented
R-11	AI	Model could hallucinate citations if live provider used	Medium	High	Answer guard rejects uncited articles; offline fallback preferred; real inference unverified	BLOCKED (B-4)
R-12	Project	No owner approval to merge/deploy	Low	High	PR #1 kept draft; no merge or push beyond branch without owner	OWNER APPROVAL (B-5)

Overall

The highest-severity risks (R-1 unverified legal content, R-10 mistaken for advice, R-11 AI hallucination) are mitigated by disclaimers, the safety guard, offline-first default, and the requirement for human legal review before public use. None are retired until blockers B-1 through B-5 are resolved.
